Judges

Pursuant to MCR 7.205(D)(2), in lieu of granting the application for leave to appeal, the Court VACATES the October 16, 2008 order of the trial court. The trial court abused its discretion when it restricted the number of expert witnesses to be called by the parties without stating an adequate reason to do so. *People v Leonard*, 224 Mich App 569, 580; 569 NW2d 663 (1997). This matter is REMANDED to the trial court to reconsider plaintiff's motion to strike in light of MCL 600.2164(2). The trial court shall state on the record its reasons for any ruling on remand. This order has immediate effect. MCR 7.215(F)(2). We do not retain jurisdiction.
